LET US PRAY FOR VICTORY The custom of burning incense is ancient and widely spread. The offer-ing of incense has formed a part of ancient and weeks as formed a part of religious ceremonias of ancient nations. See Cor. Ex. St. Luke, Rev. Par. Lev., Cant., etc. When the nation was croubled God told Moses to burn incense. Many of our good Americans burn our incense in their meditations and prayers for their own benefits and also for our country's victory. There is a good reason for using Psychological Temple Incense in our prayers. In olden times the use of incense was considered as a sacred act and was used extensively to thank and please God for favors granted and to keep away evil. In our difficulties now as in olden times we are turning to God for Hin help and are using His blessed incense for our personal benefits and for our dear brothers and sisters abroad who are fighting God's war.

Some fourteen years ago I had a vision about this world war, the details of which are well known to my fallends. Now again the voice of God has speken to me and I feel it my duty to inform you that God requests you to lift your mind, heart, and soul in Victory Prayers at least twice daily, and use our blessed Tample Income which I have blessed for Victory.

God has shown me that He wants our country to be successful in cetablishing His Justice, His Freedom, His Righteousness over the entire world. Are you willing to help us carry on the work of God? If you cannot be a MILITARY soldier, be a soldier of the LORD, be a soldier in prayer, be a soldier in work. Be a soldier in deing your duty to God and to our dear Country for Damocracy, Justice and Liberty's sake. We must all help the best way we can. Here are God's own words:

Soldiers, Jesus is our Captain. Heb., ii:10. He will lead us in the fight.—John He will strengthen, guide, and help

us.-II Cor.
If we keep the armor bright-I Thess, v:12.

You are requested to volunteer your services to God, to your Country and to the world at large. Do your bit NOW and right along. Use my blessed Psychological Temple Incense. It will help you, your dear ones at a distance, and the country, too. 25c per package, Call or write.
